

Home Study Course TR-SC24 Digestive System

Successful completion of this course earns 6 CEs (continuing education contact hours). This course excludes the Practical. The following items are required to obtain the contact hours associated with this course: (1) completed Home Study Course (this page), (2) Course Evaluation, and (3) a 70% passing score. While there is no specific deadline for submission, TSI recommends submitting the items within TWO (2) years from the date of purchase.

Materials:

- *Therapeutic Reflexology*, chapter 24

Objectives:

- (1) Know the key terms and definitions in this chapter.
- (2) Identify the four functions of the digestive system.
- (3) Describe the location and functions of the primary organs (mouth, teeth, pharynx, esophagus, stomach, small intestine, large intestine).
- (4) Describe the location and functions of the secondary organs (liver, gallbladder, pancreas).
- (5) Describe five health challenges of the digestive system.
- (6) State the different functions of the small intestine and large intestine.
- (7) Name the direct and helper reflexes of the digestive system.

Directions: Write your initials as you complete the steps in the following instructions.

Initial Below	Step	Instruction
	1	Read the Chapter Highlights, Learning Objectives, and Key Terms.
	2	Read the chapter.
	3	Read the Summary and verify that you understand the information presented.
	4	Complete all quizzes, excluding the Practical, in "How Much Did You Learn?"
	5	Complete the course evaluation form. Include the number of hours required to complete the course. Sign to authenticate your work.
	6	Mail, email, or fax the "How Much Did You Learn?" and course evaluation form. Both are required for successful completion of the course.

Errata: Make the following changes in **Therapeutic Reflexology** textbook.

1. In "Digestive System" textbox (p. 298), under "Direct Reflexes and Location of Reflexes," locate "ileocecal valve/appendix (left foot, . . .). Change "left foot" to "right foot."
2. In Description of Figure 24.5 (p. 306), locate "On the left foot, thumb-, fingerwalk . . ." Change "left foot" to "right foot." Locate "Repeat on the right foot. . ." Change "right foot" to "left foot."

Course Evaluation TR-SC24 Digestive System

Your Name: _____ Email: _____
 Street Address: _____ Apartment, Unit: _____
 City: _____ State: _____ Zip/Postal Code: _____
 Country: _____ Website: _____

Your profession(s) or education is/are PhD/Dr NP RN PT OT MT Reflexologist
 Other (please explain) _____

I am taking this course for (check all that apply): continuing education improve my knowledge of the subject
 improve my skills re-credentialing improve job performance self-improvement

Circle the number that best identifies your agreement or disagreement with the following statements. The assessment system is Strongly Agree (6) to Strongly Disagree (1).	Strongly Agree					Strongly Disagree
1. The course met the following objectives:						
1.1. Know the key terms and definitions in this chapter.	6	5	4	3	2	1
1.2. Identify the four functions of the digestive system.	6	5	4	3	2	1
1.3. Describe the location and functions of the primary organs (mouth, teeth, pharynx, esophagus, stomach, small intestine, large intestine).	6	5	4	3	2	1
1.4. Describe the location and functions of the secondary organs (liver, gallbladder, pancreas).	6	5	4	3	2	1
1.5. Describe five health challenges of the digestive system.	6	5	4	3	2	1
1.6. State the different functions of the small intestine and large intestine.	6	5	4	3	2	1
1.7. Name the direct and helper reflexes of the digestive system.	6	5	4	3	2	1
2. Course content:						
2.1. The course was interesting.	6	5	4	3	2	1
2.2. Written course instructions were easy to understand.	6	5	4	3	2	1
2.3. Textbook is easy to understand and effective for this subject.	6	5	4	3	2	1
2.4. I would recommend this course to others.	6	5	4	3	2	1
3. Course delivery:						
3.1. Home study is conducive to learning the subject.	6	5	4	3	2	1
3.2. I would take another home study course on Therapeutic Reflexology.	6	5	4	3	2	1

What is the most important information you learned as a result of this course?

Comments: _____

It took me _____ hours to complete this course. Date course completed: _____
